

# SAYL Parking Rules

There are 2 areas designated for parking: FRONT and ALLEY.  
Please remember the SAYL parking rules and policies:

- Limit one car per family
- Do not arrive more than 10 minutes before your class time
- Try to leave no later than 10 minutes after your class time

The City of Plano has been watching the parking and I have been ticketed and warned.  
Please adhere to the parking policy, as I cannot afford to lose my ability to teach lessons.

For NEW CLIENTS:

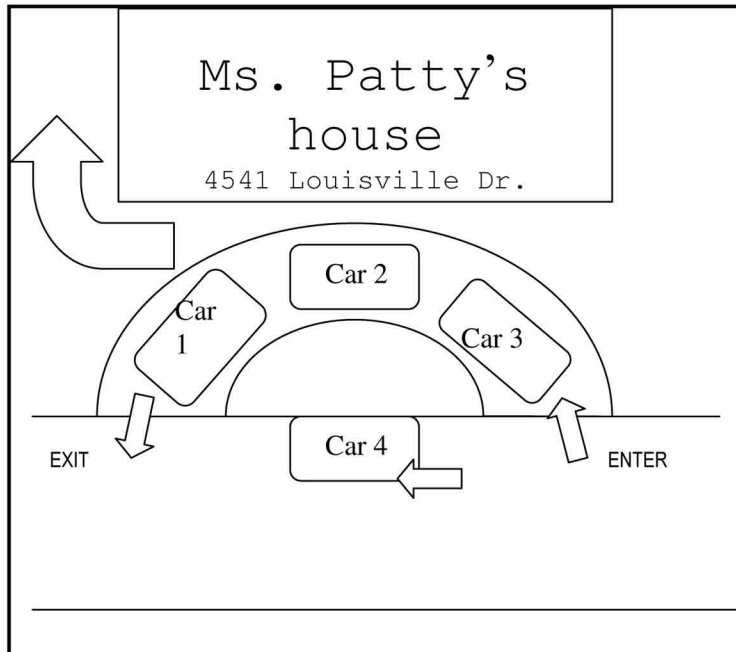

There is a paved walkway between my house and my neighbor (closer West to Ohio Dr.) if you park in the front parking. (as noted by the curved arrows on the diagram below)

Please come into the building through the gate and wait for me to tell the children to join me in the water. There are benches in the building and seating areas outside. There is a bathroom and 2 additional changing areas for you to use. Please no food or Drink.

Please email me with any questions; [sayl@mspatty.com](mailto:sayl@mspatty.com).

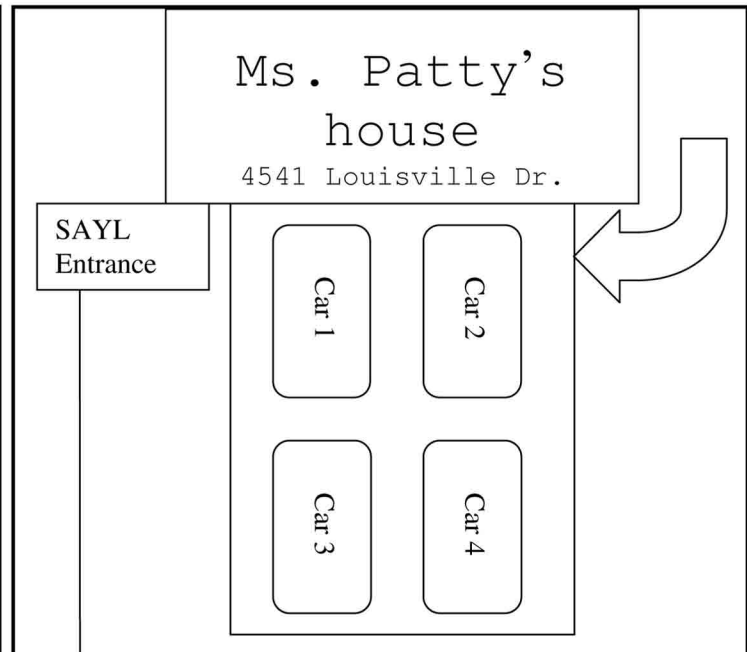

Thanks,  
Ms. Patty.

## FRONT PARKING

For FRONT parking, please make sure your car is parked correctly. Follow the ENTER and EXIT flow and if you are Car 4, make sure your car is facing the correct way.

## ALLEY PARKING

It might not be possible to fit 4 cars in the alley at one time, depending on the size of vehicles at your class time. If there is not enough parking, you may use the street, but please make sure your car is facing the correct way.
